ABOUT ALMA TIRE COMPANIES

At Alma Tire Companies, our passion is building great relationships, with great people, at great companies. Since 1954, we have been serving, supporting, and solving the problems of the transportation industry. Now operating through multiple divisions, we have become field leaders in passenger and light truck mechanical repair, commercial tire sales and service, retreading and medium and heavy duty mechanical repair.

Our mission is the same now as it has always been, and that is to serve our communities with enthusiasm, integrity, and professionalism while providing personal and professional advancement opportunities for our people. We have been successful by staying true to a simple philosophy - do the job right, take care of our customers, and take care of our people.

We are always looking for new opportunities to help others and continue to grow ourselves and our operations, so please stop in to one of our locations and get to know us!
