### Quality, Service, Ethics

Over 30 years dedicated to helping our clients navigate the state of change.

### HOW WE STARTED

Our firm's founders, Glen D. Blystone and Thomas J. Bailey, have worked in public accounting for over 40 years. Glen and Tom began working together in 1976 as employees of a regional CPA firm in Bay City, then practicing under their own names as sole practitioners, and subsequently organizing Blystone and Bailey CPAs, P.C. in 1986. Today, our firm employs over twenty-five individuals including CPAs, accountants, paraprofessionals, and support staff working from three different locations and utilizing remote work capabilities which allows our firm to provide our services from anywhere.

### WHAT WE DO
