## HISTORY OF E & S GRAPHICS, INC.

E & S Graphics, Inc. was established as "The Print Shop" in 1979 and wasn't named E & S Graphics, Inc. until 1985. In 1998, our current facility was constructed to accommodate a new printing press. However, since 2009, E & S Graphics, Inc. has grown with digital printing. To better meet client's needs, we acquired Signs of the Times, a sign shop in Downtown Ithaca, in 2016. From there, E & S Graphics, Inc. has expanded their sign and graphic services and have grown tremendously ever since. Our most recent addition at E & S Graphics, Inc. was acquiring the Trophy Shoppe of Alma in 2019. In 2021, our company launched promotional products. After Nick purchased the business in 2014, we have continued to grow in each of our departments. For over FOUR DECADES, E & S Graphics, Inc. has delivered confidence, trust, and peace of mind through its in-house printing, signage, engraving, designing and promotional products.
