

Great Lakes Safety Training Center

Great Lakes Safety Training Center is a 501c (3) nonprofit organization located in Midland, Michigan, who proudly provides workplace/ occupational safety training and safety services to promote safe businesses and communities. We are the recognized leader in safety education and related services, empowering our members and the community to prevent injuries, save lives, and achieve a culture of safety excellence.

Our goal is to provide high quality safety training and educational experiences to help eliminate accidents. To reach this goal, we focus on our mission: "Preparing People to Live and Work Safely Every Day."

We Make It Possible

Instructor-led and Hands-on Training

Utilizing our state-of-the-art Hands-on Lab, our training provides real world experiences.

Online Safety Courses

Access to over 100 on-demand courses through our website 24/7. Courses include OSHA, DOT and more.

Background Checks and Security Screening

Providing the most efficient and highly automated background screening services available - quickly and accurately customized to your needs.

Audits & Consultations

Our expert team can work with you on compliance, abatement assistance, safety plan review or development, or consultation on any safety need.

Customized Training Development

Let our experts design a curriculum that meets all your needs!

Safety Data Management Tools

Our Learning Management System (LMS) provides centralized record-keeping for all training and background screenings.
