

# Medler Electric Company

**FULL-LINE ELECTRICAL WHOLESALE DISTRIBUTOR  
Since 1918**

**"OUR  
EMPLOYEE-OWNERS  
CARE MORE"**

It's more than just our motto - it's a self-assigned responsibility that we have built our company and reputation upon for over 100 years.

All of our branches hold ISO: 9001 certification, laying the groundwork for us to continually improve and exceed your expectations. We maintain vigorous quality checks and efficient operations to ensure you get what you need when you need it.

Through continued education and training, our associates possess the knowledge and experience needed to provide you with unparalleled customer service.

Medler Electric Company partners with the most reputable manufacturers in our industry, ensuring you have access to the latest and most innovative products for all of your electrical supply needs.

## **NEW APP & MEDLERELECTRIC.COM**

We are excited to announce we've recently expanded our resources to enhance your overall experience with our new mobile app and updated features to our website.

Our online presence is built and structured to provide ease and convenience to our customers.

We are dedicated to maintain growth and strengthen the capabilities of our digital platforms and profiles.
